September 4, 2018

LKMS Parents,

On behalf of the Lime Kiln Middle School Parent Teacher Association (LKMS-PTA), it is a pleasure to welcome you to the 2018/2019 school year. We are very fortunate at Lime Kiln to have such an extraordinary community of parents, teachers, staff, and administrators working in close partnership to advocate for all of our students, offering each a sense of pride and ownership of the school that they will call home for the next one, two or three year(s).

Every school year, the LKMS-PTA is very pleased to contribute resources and support for a wide range of important school programs and functions, from providing unique classroom enhancements and special school supplies to organizing grade-level icebreakers, teacher appreciation, the drama club, LimeTime, student dances, and much more. The PTA also works behind the scenes helping those in the Lime Kiln family facing sudden hardship. This year we are hopeful to further expand the PTA's activities, including bringing several new, fun and exciting student assembly ideas to the school.

With such a diverse spectrum of events, the need for parent, guardian, and family member involvement is vital. Your membership in the PTA, along with whatever time you are able to volunteer, and whatever donations you can give are what make it all happen. Please help us get the year off to a great start by getting the attached forms back to us in a timely manner. For your convenience, just return all information to your child's homeroom teacher in one envelope labeled "LKMS PTA" and we will sort it all out. Alternatively, you can submit these items via our website (www.lkmspta.org).

We look forward to seeing you at Back-to-School Night the evening of Thursday, September 13. During this time, we will be presenting the 2018/2019 PTA budget and voting on its approval.

In addition, you are welcome (and encouraged!) to attend any of our regular monthly PTA meetings or contact us anytime via email at lkmspta@gmail.com. You will be able to find information regarding our PTA meeting times and locations, programs, and contact information on the website.

We wish you and your students a very successful school year ahead!

All the best,

J. Smart

J. Smart
LKMS PTA President (2018-2019)
